

KILLEARN LAKES ELEMENTARY SCHOOL EXTENDED DAY ENRICHMENT PROGRAM

The Killlearn Lakes Extended Day Enrichment Program enrichment activities will be held on Monday through Thursday. Fridays are “Fun Days” and consist of special events and visitors. The After School Program provides enrichment activities for students from the end of the school day until 6:00 p.m. The program seeks to encourage students to develop their talents and to discover new areas of interest. Activities vary each session.

BEFORE SCHOOL

The Before School Program provides enrichment activities for students from 7:00 am until 8:30 am. A nutritious morning snack will be provided and the children will be escorted to their designated areas at 8:30 am when the bell rings. The before school program will offer different enrichment activities daily as indicated by the schedule below.

Students will go directly to their designated attendance location where they will receive a nutritious snack. Enrichment Activities will last from 4:00-5:00 p.m. We will have end of the day stations from 5:00-6:00 p.m. consisting of the child's choice of free play, movie, board games, etc...

ENRICHMENT ACTIVITIES & SELECTION

The Extended Day Enrichment Classes will vary daily and each class will last 9-10 weeks. These classes are designed to provide the children with activities that stimulate new interests, encourage creativity and build self-esteem. A list of enrichment activities will be provided prior to the beginning of each session. Activity selection sheets will be completed and turned into the EDEP Office.

All children will select a first and second choice of enrichment classes for each day attending EDEP. The children are to remain in the selected classes for the duration of the session. Class changes are only permitted with a signed note from the parent. Children who have not returned their activity sheets prior to the new activity session registration deadline will have classes selected for them by our staff.
